Platform Demo: How to Build a Case Management Application with Blocks

May 28th 2019

Your Hosts for Today

- Chris Obdam
- CEO Betty Blocks
- Marcel Korporaal
- Pre-sales Architect – Betty Blocks

Atlanta, London & Alkmaar

*Meet the
team!*

The background is a vibrant, abstract watercolor splash in shades of purple, pink, blue, and yellow, radiating from the center. A white hexagon with rounded corners is positioned in the middle, containing the text.

Our Big Hairy Audacious Goal

**By 2023, anyone can build an
application**

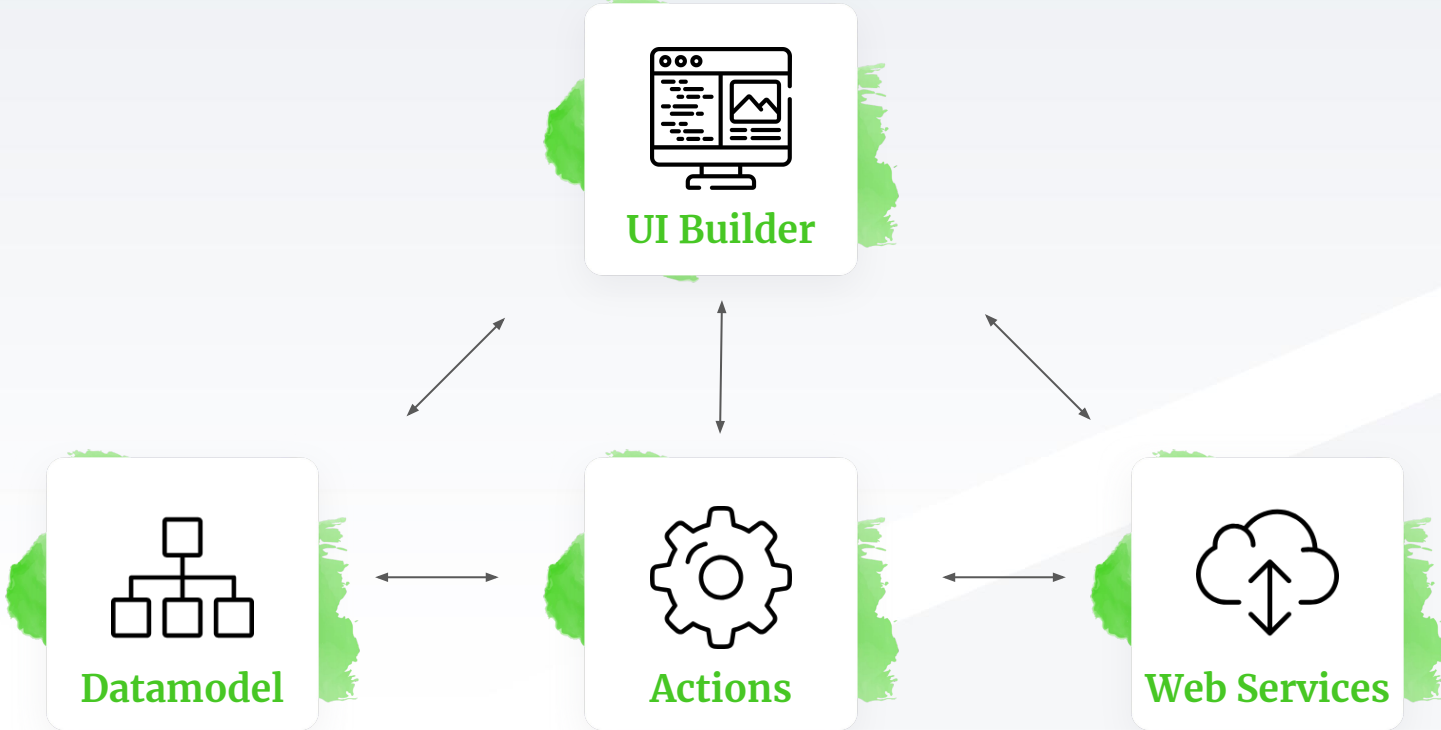

No-code Development Platform

- Developing applications without coding knowledge
- Visual modeling
- Building with components
- Demo today
- Questions drop them in the Q&A
