Each party agrees that it shall have no claim for innocent or negligent misrepresentation based on any statement in the Agreement.

- 15.5. **Notices.** Where these Terms and/or an Agreement refers to “notify” or the giving of “notice”, such notice must be given (i) personally to an authorized representative of the other Party (notice will be deemed given at the moment of delivery) or (ii) by email (notice will be deemed given on the date and at the time the email was received).
- 15.6. **Assignment by Client.** Client shall not, without the prior written consent of Betty Blocks, assign, transfer, charge, sub-contract or deal in any other manner with all or any of its rights or obligations under the Agreement.
- 15.7. **Assignment by Betty Blocks.** Betty Blocks will not be authorized to assign, novate or otherwise transfer the Agreement and all its rights and obligations arising therefrom without Client’s prior written consent, unless such occurs within the Betty Blocks group of undertakings or for purposes of corporate financing, provided however that Client may still access and use the Software.
- 15.8. **Relationship of the parties.** Nothing in the Agreement is intended to, or shall be deemed to, establish any partnership or joint venture between any of the Parties, constitute any Party the agent of another Party, nor authorize any Party to make or enter into any commitments for or on behalf of any other Party.
- 15.9. **Amendments.** Betty Blocks is entitled to change or supplement these applicable Terms at any time. In the event Betty Blocks wishes to change these Terms, Betty Blocks shall notify Client in writing by giving 30 days’ notice. During that time, Client will have the opportunity to object in writing to the changes. If Client objects to the changes, then the Parties will discuss the changes and next steps in good faith. If Client does not object to the changes within the given timeframe, then the changes will take effect and the changed or supplemented Terms will govern the Agreement. Client is not entitled to terminate the Agreement if and insofar the amendment is necessary because of (changing) legislation or if it concerns a change of minor importance. Other the aforementioned changes in Terms, no variation of the Agreement shall be effective unless it is in writing and signed by the Parties (or their authorized representatives).
- 15.10. **Third party rights.** The Agreement does not confer any rights on any person or party (other than the parties to the Agreement and (where applicable) their successors and permitted assigns).
- 15.11. **Communication stored by Betty Blocks.** The version of any communication received or stored by Betty Blocks (including log files) is considered to be authentic, unless proven to the contrary by Client.

## MODULE B – PROFESSIONAL SERVICES

This Module B applies in addition to Module A in case Betty Blocks provides Professional Services to Client.

### 16. TERM, PAYMENT AND LOCATION

- 16.1. **Term Professional Services.** The term of an Agreement for Professional Services shall commence from the date stated in the Order Form and for the period defined in the Order Form. If such period is not specified in the Order Form, then the duration of such Agreement shall be twelve (12) calendar months.
- 16.2. **Renewal Professional Services.** Upon expiration of the aforementioned duration, the term of the Agreement for Professional Services shall automatically renew for additional successive terms of the same duration as the initial term, unless either Party gives the other Party written notice of non-renewal at least sixty (60) calendar days prior to the beginning of such renewal. The same terms and conditions of the initial Agreement for Professional Services remain applicable, unless Betty Blocks has provided written notice to Client of any amended terms and conditions of the Agreement and/or a pricing increase at least ninety (90) calendar days prior to the renewal. In such event, the amended terms and conditions and/or the pricing increase shall apply from the moment the Agreement is renewed.
- 16.3. **Invoice Professional Services.** Unless otherwise agreed upon, Betty Blocks will send Client an invoice for hours worked on providing Professional Services at the end of each calendar month. Except as expressly indicated to the contrary in the Agreement, fees for Professional Services shall be provided on a time and materials basis at Betty Blocks' then current Professional Services rates and shall be invoiced at the end of the calendar month of their performance. The hours shall be accounted for according to Betty Blocks' timesheets
- 16.4. **Prepaid hours.** If Client has purchased a set of (prepaid) hours to use on an on-call basis for Betty Block's Professional Services, then hours worked by Betty Blocks will be deducted from Client's usable hours. Unless otherwise agreed upon: (i) a purchased set of (prepaid) hours for consultancy services shall automatically expire after three months, and (ii) a purchased set of (prepaid) hours for development services shall automatically expire after twelve months.
- 16.5. **Time registration.** Even if the Client uses its own time registration systems, the hours booked in Betty Block's time registration system will be invoiced and will be leading. At the Client's request, Betty Blocks shall provide an overview of the timesheets.
- 16.6. **Remote work.** Unless otherwise agreed upon, Betty Blocks will be performing any services remotely. If Parties agree that certain work needs to be performed at Client's location, then Betty Blocks may charge reasonable travel expenses and Client is responsible for a safe working environment for Betty Blocks' employees as required by applicable law.

## 17. CONSULTANCY

- 17.1. **Consultancy.** Parties may agree that Betty Blocks will provide certain consultancy services to Client. Parties will specify such Professional Services in a Statement of Work. Betty Blocks will provide the agreed upon Professional Services with due care and skill. However, Client acknowledges that the quality of any consultancy services depends to a great extent on the information and guidance provided by the Client. Betty Blocks is in no way responsible or obliged to check the information provided by the Client.
- 17.2. **Availability of consultants.** Betty Blocks will use commercially reasonable efforts to ensure that the agreed upon consultant is available for Client to provide Professional Services on the agreed upon time slots. In this respect, the consultant may be unavailable at certain times due to a business activity of Betty Blocks, training or other reasons.
- 17.3. **Replacing consultants.** Betty Blocks is entitled to replace a consultant at any time with another consultant who has comparable knowledge and experience. Should Client be unsatisfied with the consultant of Betty Blocks, then Client may request a replacement consultant and Betty Blocks will use commercially reasonable efforts to replace the consultant. The aforementioned does not entitle Client to terminate the Agreement.
- 17.4. **Minimum hours.** If the Parties have agreed on a fixed or minimum number of consultancy hours, the Client will continue to owe fees for the agreed upon hours, even if the Client (temporarily) has less work for the consultant to perform and/or even when the consultant cannot effectively perform Professional Services because of issues on Client's side (malfunctioning systems, etc.). If a consultant works on an on-call basis, Betty Blocks shall be entitled to charge for at least one working hour per call.
- 17.5. **Quality control.** Unless otherwise agreed upon, the Client remains responsible for quality control. Client must review and test the work performed by the consultant.

## 18. DEVELOPMENT AND SPRINTS

- 18.1. **Development in Sprints.** If Parties have agreed in a Statement of Work that Betty Blocks will provide any development services, project management services and/or similar services, then (unless otherwise agreed upon) such services will be performed in Sprints. Prior to each Sprint, the Parties establish an objectively measurable Deliverable (e.g. a functionality) to be developed during the Sprint.
- 18.2. **Statement of Work and scope.** Unless otherwise agreed upon, the Parties will lay down such Deliverable and other terms of one or multiple Sprints in a Statement of Work and/or development support systems of Betty Blocks. Only the Deliverable agreed upon in writing for each Sprint falls within the scope of that Sprint. Everything else is out of scope, there are no such things as 'unreported' and/or 'implicit' wishes or results that apply for a Sprint. The same applies to general reports of meetings, lists with Client's wishes and/or other such

documents. Everything in such documents is out of scope, unless Parties have agreed upon in a Statement of Work that certain specific results shall be developed in a Sprint.

- 18.3. **Estimates.** Client acknowledges that needed development hours communicated by Betty Blocks to Client are merely estimates and the actual number of hours may differ from the estimates, unless expressly indicated to the contrary. No rights can be derived from such estimations.
- 18.4. **Testing.** At the end of each Sprint, Betty Blocks will share the Deliverable with the Client. Client will then test the developed functionality within 7 days in accordance with the test script provided by Betty Blocks. The result of the test is either a 'pass', meaning that the Deliverable objectively complies with what was agreed upon, or a 'fail', meaning the Deliverable objectively does not comply with what was agreed upon. Any subjective aspects of the Deliverable are never a reason for a 'fail'.
- 18.5. **Compliance with Statement of Work.** If the Deliverable objectively does not comply with the Statement of Work, then Betty Blocks will use its best efforts to fix this Deliverable. In other cases, e.g. when Client has subjective reasons not to agree with the result, new Sprints must be purchased by Client to develop the desired result. Additional Sprints must also be purchased when the estimated hours were not enough to develop the agreed upon Deliverable.

## 19. ACCEPTANCE TESTING BY CLIENT

- 19.1. **Scope.** The provisions of the clauses 19.2 up to and including 19.6 only apply if it has been agreed in a Statement of Work that Betty Blocks will perform Professional Services consisting of software development, and only to the extent that Parties have agreed in such Statement of Work that Client shall perform acceptance testing of core functionalities. If acceptance testing has not been agreed, Client shall accept the Deliverable in the state that it is in when delivered (on an "as is" and "as available" basis), therefore including all visible and invisible errors and defects.
- 19.2. **Client testing.** Prior to the delivery of each Deliverable, Client will be able to test such Deliverable in a testing environment. Betty Blocks will provide Client access to this testing environment by sending a location (URL) and, if necessary, login details. Access to the testing environment is strictly tied to Client. Client is not allowed to gain third parties access to this testing environment by sending the location (URL) and/or the login details to any third party, unless expressly indicated to the contrary in the Agreement. Client is aware that the testing environment is not suitable for production purposes, in whatever form. Client is not allowed to use the testing environment for such purposes. Betty Blocks gives no guarantees regarding the availability, completeness and correct operation of the testing environment. Betty Blocks, however, is aware that the availability of the testing environment is necessary for delivery of the Deliverables. Therefore, Betty Blocks will endeavor to keep the testing environment available.

- 19.3. **Delivery.** After the Deliverable has been tested, Betty Blocks will deliver the Deliverable when, in Betty Blocks' professional opinion, the Deliverable substantially satisfies the applicable functional or technical requirements.
- 19.4. **Acceptance.** Client must, within seven (7) days after delivery, evaluate the Deliverable and either approve or reject it. The Deliverable will be deemed accepted if:
- i) Client approves the Deliverable (in writing or digitally);
  - ii) Client commences operational use of the Deliverable, including but not limited to transferring the Deliverable to a production environment; or
  - iii) Client does not reject the Deliverable and/or has not requested a revision round within the aforesaid period.
- 19.5. **Rejection.** If Client wholly or partly rejects the Deliverable, Betty Blocks will use commercially reasonable endeavors to remove the reasons for rejection in a timely manner. Betty Blocks can achieve this by either revising the Deliverable in a next Sprint, by refuting the reasons which form the basis of the rejection or by providing temporary solutions, such as program bypasses. Client may not refuse to accept a Deliverable because of the existence of minor errors (it being understood as errors that do not reasonably prevent the operational use of the Deliverable). Additionally, the Deliverable may not be rejected because of aspects that can only be assessed subjectively, including but not limited to aesthetic aspects of interfaces.
- 19.6. **Resubmission.** In case of a valid rejection in accordance with the previous paragraph, Betty Blocks may revise the Deliverable in an upcoming sprint and resubmit the (rejected part of the) Deliverable for acceptance. In case of such resubmission Client shall test whether the initially given reason for rejection has been resolved. If the reason for rejection has been resolved, the Deliverable is deemed to be accepted.
- 19.7. **Resolving non-compliance.** Should any Deliverable fail to satisfy the applicable functional or technical requirements after the third resubmission of such Deliverable to Client, the Parties both agree to confer to engage in good faith discussions to resolve the matter. Not satisfying the acceptance testing does, however, not entitle Client to terminate or (partially) dissolve the Agreement. Client is only entitled to terminate after Betty Blocks remains in default and solely following the expiry of a reasonable term for performing the Agreement as set out in a notice of default in writing.

## 20. ADDITIONAL WORK

- 20.1. **Additional Work.** In the event of Betty Blocks performing Professional Services, or providing other services at Client's request, which go beyond the scope of the agreed upon Professional Services in the relevant Statement of Work, Client shall pay for such services retrospectively on a time and materials basis at Betty Blocks' then current Professional Services rates. However, Betty Blocks will under no circumstances be obliged to comply with such a request and can require that a separate Agreement is entered into for that purpose.

- 20.2. **Consequences of additional work.** Client accepts that the Professional Services as referred to in clause 20.1 can affect the agreed or anticipated time of completion of the Professional Services, as well as the Parties' mutual responsibilities under the Agreement. Betty Blocks may adjust any agreed timetable or delivery schedule as reasonably necessary. The need for or occurrence of additional work during the performance of the Agreement never constitutes a reason for Client to give notice of termination or to (partially) dissolve the Agreement. To the extent a fixed price is agreed for the provision of the Professional Services, Betty Blocks will, upon request, inform Client in writing of the financial consequences of the additional work.

## 21. DOMAIN NAMES AND IP ADDRESSES

- 21.1. **Domain names and IP addresses.** If the Professional Service consists, in full or in part, of Betty Blocks intermediating on behalf of Client for the acquisition of a domain name and/or IP address, the provisions in this clause also apply.
- 21.2. **Reimbursement.** Client must pay all costs associated with the application and/or registration in accordance with the agreed rates or, in the absence of agreed rates, Betty Blocks' usual rates.
- 21.3. **Registration authorities.** Application for, assignment of and the possible use of a domain name and/or IP address depend on and are subject to the applicable rules and regulations of the registration authorities concerned, including the Internet Assigned Numbers Authority (IANA), the American Registry for Internet Numbers (ARIN) and/or the Internet Corporation for Assigned Names and Numbers (ICANN). The authority concerned will decide on the assignment of any domain names and/or IP address. Betty Blocks only plays a mediatory role in the application process and cannot guarantee that any application will be accepted.
- 21.4. **Confirmation.** Client is informed exclusively of registration by the e-mail confirmation from Betty Blocks, which states that the requested domain name has been registered. An invoice for the costs of registration is not a confirmation of registration.
- 21.5. **Indemnification by Client.** Client indemnifies Betty Blocks against any and all losses connected with (the use of) a domain name and/or IP address on behalf of or by Client.
- 21.6. **Limited liability.** BETTY BLOCKS IS NOT LIABLE FOR THE LOSS BY CLIENT OF ITS RIGHT(S) TO A DOMAIN NAME OR FOR THE FACT THAT THE DOMAIN NAME HAS BEEN REQUESTED BY AND/OR ASSIGNED TO A THIRD PARTY IN THE INTERIM, EXCEPT IN THE CASE OF WILFUL MISCONDUCT OR DELIBERATE RECKLESSNESS ON THE PART OF BETTY BLOCKS' MANAGEMENT.
- 21.7. **Requests regarding domain names.** If Betty Blocks registers a domain name on Client's behalf, Betty Blocks will honor requests from Client with respect to moving, transferring or terminating this domain name.

- 21.8. **Rules of registration authorities.** Client is obliged to observe the rules that the registration authorities set for the application for and for the assignment and use of a domain name and/or the IP address.
- 21.9. **Default by Client.** Betty Blocks is entitled to render the domain name and/or IP address inaccessible or unusable or to transfer or arrange the transfer of the domain name and/or IP address to its own name if Client remains in default in performing the Agreement, which action will however last solely for the period that Client remains in default and solely following the expiry of a reasonable term for performing the Agreement as set out in a notice of default in writing.
- 21.10. **Revoking domain names and IP addresses.** In the event of the dissolution of the Agreement owing to breach of contract on the part of Client, Betty Blocks is entitled to revoke the domain name and/or IP address.

## 22. SSL and/or TLS CERTIFICATE

- 22.1. **SSL and/or TLS certificates.** If the Professional Service consists, in full or in part, of Betty Blocks intermediating on behalf of Client for the acquisition of one or more SSL / TLS certificates, the provisions in this clause also apply.
- 22.2. **Certification authority.** The application and allocation procedure for SSL certificates is subject to the rules and procedures of the certificate authority issuing the SSL / TLS certificate. The relevant certificate authority decides on the granting of the SSL / TLS certificate and will carry out the necessary checks for this purpose. Betty Blocks only fulfils an intermediary role in the application procedure and does not guarantee that an application will be honored.
- 22.3. **Withdrawing SSL and/or TLS certificates.** The SSL / TLS certificate is valid for the agreed upon period, unless it is withdrawn prematurely. Betty Blocks and the relevant supplier can withdraw the SSL / TLS certificate immediately if:
- i) it appears that the Client has provided incorrect information for the purpose of obtaining the SSL / TLS certificate; or
  - ii) the reliability of the SSL / TLS certificate, in the opinion of Betty Blocks and/or the supplier, has been compromised.
- 22.4. **Default by Client.** Betty Blocks has the right to withdraw the SSL / TLS certificate if Client fails to fulfil its obligations under the Agreement and does not remedy this default within fourteen (14) days after notice of default.
- 22.5. **Compliance with laws and regulations.** Client must comply with all laws and regulations and all conditions set by the certificate authority when using the SSL / TLS certificate.
- 22.6. **Consequence of withdrawal.** If the SSL / TLS certificate is withdrawn, the Client will not be entitled to a replacement SSL / TLS certificate or refund of (part of) the fees for the SSL / TLS certificate, unless the withdrawal is due to attributable failure of Betty Blocks. In such a case,

Betty Blocks will supply a new SSL / TLS certificate for replacement for the remaining period of the original SSL / TLS certificate.

- 22.7. **Expiration.** Betty Blocks may inform Client before the SSL / TLS certificate expires and will have to be renewed. However, it always remains the Client's own responsibility to timely renew SSL / TLS certificates.

### **23. HOSTING AND RELATED SERVICES**

- 23.1. **Hosting services.** If the Professional Service consists, in full or in part, of services regarding the storage of material and/or the transfer or provision of material to third parties, such as in the case of hosting the software, e-mail services developed by Betty Blocks for Client, the provisions of this clause also apply.
- 23.2. **Removal of content.** If Betty Blocks is informed by a third party of unlawful information and/or content on its servers, Betty Blocks is entitled to remove the material and/or content or render it inaccessible. To the maximum extent permitted by law, Betty Blocks shall notify Client of this in advance and allow Client to modify or remove the unlawful information and/or content. Upon Betty Blocks' request, Client shall confirm that it has modified or removed the information and/or content in question. Betty Blocks is authorized to provide a copy of such confirmation to the third party complaining about the unlawful information and/or content.
- 23.3. **Criminal offences.** In the event the information and/or contents concerns information or content that constitutes a criminal offence, Betty Blocks is entitled to report this information to the police. Betty Blocks may in this case submit all information on Client and the information concerned to the competent authorities and perform all other acts that these authorities request Betty Blocks to perform as part of the criminal investigation.
- 23.4. **Indemnification by Client.** Client indemnifies Betty Blocks against all legal claims with respect to data, information, websites, etc. that have been stored by Client or its Users. In this regard, Betty Blocks is not liable for any damage or loss suffered by Client caused by any action taken by Betty Blocks following a report from a third party, even if the report turns out to be incorrect and the information is not breaching applicable law.
- 23.5. **Storage limits.** Betty Blocks may impose a maximum limit on the amount of storage space or data traffic Client may use each month within the framework of Betty Blocks' hosting and/or related services. In the event this maximum is exceeded, Betty Blocks is authorized to charge an additional amount in accordance with the amounts charged for additional storage space or data traffic as specified in the Agreement. The hosting and related services may also be blocked if Betty Blocks is of the opinion that the capacity of the server/servers used by Client is disproportionate. Betty Blocks is not liable for the consequences of not sending, receiving, storing or modifying data if the limit for storage space, capacity or data traffic has been reached.

- 23.6. **Client license.** Client hereby grants Betty Blocks an unlimited license to distribute, store, forward or copy all materials supplied by Client on Betty Blocks' systems, in a manner deemed appropriate by Betty Blocks, but solely to the extent this is reasonably required for the purpose of Betty Blocks' fulfilment of the Agreement.
- 23.7. **Client responsibilities.** Client bears responsibility for its Users. Any damage or loss caused by a User will be recovered from Client. Client itself is responsible for hardware and software that is operated at its own location or at locations outside Betty Blocks' control. Betty Blocks cannot provide any guarantee whatsoever regarding such hardware and software.

## 24. TRAINING

- 24.1. **Training Courses.** The provisions of this clause apply in the event Betty Blocks provides Training to or on behalf of Client.
- 24.2. **Provision of Training courses.** The content of the Training is composed by Betty Blocks to the best of its ability and exercising reasonable skill and care. Unless otherwise agreed upon, Betty Blocks will be entirely free to determine the contents of any Training and the relevant materials it provides to Client. Unless otherwise agreed upon, any Training contents shall be deemed general information and not specific (technical) advice for Client or Client's Applications and/or Configurations.
- 24.3. **Training content.** Client acknowledges that the Platform is being maintained and periodically updated by Betty Blocks. Therefore, Betty Blocks shall use reasonable care to make sure that the contents of a Training are mostly in line with the latest version of the Platform. However, the contents of a Training may not be fully in alignment with the latest version of the Platform. Unless otherwise agreed upon, any (exam) certifications given out by Betty Blocks remain valid for one year.
- 24.4. **Client Responsibility.** Client agrees to act in a responsible manner and shall abide by the rules and regulations that govern the location where the Training is provided. Client must bring its own electronic appliances required for the Training, e.g. laptop.
- 24.5. **Fees.** The fees for a Training are specified in an Order Form, Statement of Work, or in an online environment of Betty Blocks. Unless otherwise agreed upon, additional costs and expenses (such as expenses for accommodation, transportation, food and/or drinks) are not included in the fee for the Training. Client acknowledges that certain Trainings (especially exams) can be purchased through an online environment of Betty Blocks. Client hereby acknowledges and agrees that any personnel of Client purchasing such Trainings are authorized by Client for such purchase and Client hereby agrees to pay Betty Blocks for such purchased Trainings.
- 24.6. **Late payment.** Betty Blocks is authorized to exclude Client from participation in a Training if the outstanding amounts are not received by Betty Blocks before the start of the Training.
- 24.7. **Change and cancellation.** Client is entitled to cancel or reschedule a Training up to fourteen (14) calendar days before the (first) day of the Training. In the event of cancellation up to

fourteen (14) calendar days before the (first) day of the Training, Betty Blocks will refund the corresponding fees. If a Training takes place in a certain location, then Betty Blocks is entitled to change the location of the Training. Betty Blocks will timely inform Client of any changes.

- 24.8. **Training materials.** Client acknowledges that the Training materials that are used and/or presented during the Training are the Intellectual Property of Betty Blocks and/or its licensors. Client agrees to respect those Intellectual Property Rights of Betty Blocks. Unless otherwise agreed upon, Client is not authorized to: (i) copy, modify, sub-license, sell, decompile, reverse engineer or distribute the Training materials; (ii) record the Training on video or audio tape or by other means; or (iii) remove any copyright or other notice of Betty Blocks and/or its licensors from the course materials.
